THE END

Hola! I'm a Kotatsu Mameko. I finished my first dog-eared comic a while, "KOTATSU". This is an extra chapter for the "Squid To see Shinku/Open Your Hands" chapter of my comic "Yours on Kotatsu", and starts from the blank that there is the last page of "Squid To see". I wanted to put the new scene in the main book, but I had a lot of fun planning a little bit of their new life here. ["\*"]

Sorry about the sketchy feel to the art... It looks so messy... I hope you still enjoyed it, even just a little bit.

To those who are thinking, "I've never read 'Squid To see', damn you", please accept my humble apology... Maybe this is the perfect time to get your hands on a copy of "Yours on Kotatsu"! (amazon link) Thank you all so much for picking up that short little book!

"mame mame mame" is the comic name under which both Oguro Mame and I publish our more nuttily done green works. You can find most of them up on d-MANGA.

We've added the store to display our new publications when they come out. Please check my blog or twitter for more details.
